

Economics and Business Career Portal Guidelines

In order to post a vacancy and/or set up a company profile on the EB Career Portal, please keep the following in mind:

- The vacancies on the platform have at least a college/university level and align with the disciplines of Economics and/or Business.
 - The vacancy has an entry level position and requires 0-3 years of work experience
 - The vacancies and company profiles should be posted in English and Dutch, where applicable.
 - The Economics and Business Career Centre (EBCC) will validate your vacancy and company profile before it is published. If it is incomplete, we will inform you of what is missing. The EBCC reserves the right to refuse or withhold vacancies, to ensure a consistently high quality for students.
